Yangarra Increases Credit Facility to \$21 million

May 19, 2011

Yangarra Resources Ltd. (“Yangarra” or “the Company”) (TSXV:YGR) is pleased to announce that it has increased its existing credit facility agreement with Alberta Treasury Branches (“ATB”) to \$21,000,000. The facility will be increased to \$18.5 million immediately and planned monthly increases based on production levels will move the facility to \$21 million by September 2011. The terms of the facility remain unchanged.

The additional credit facility space further strengthens our balance sheet and will provide increased flexibility as the Company advances the drilling program in Central Alberta.
